

9 780201 379624

A standard 1D barcode is positioned above a series of numbers. The barcode consists of vertical black lines of varying widths on a white background. Below the barcode, the number '9' is followed by a space, then '780201', another space, and finally '379624'. The number '9' is in a dark blue color, while '780201' and '379624' are in a dark orange color.
